HAPPY NEW YEAR 2025.....

Dear Parents and Guardians,
Happy New Year! I hope you and your family had a joyous and restful holiday season. As we begin this new academic term, I'm thrilled to welcome everyone back to school.

A special focus this term is on our Grade Five students, who will be preparing for the SEA exam at the end of the term. We are committed to supporting them every step of the way and ensuring they have the tools and encouragement needed to excel.

To all our families, we look forward to another term filled with many activities for growth, learning and success. Your continued support and involvement in your child's education remains invaluable, and I am excited for what we will achieve together in the upcoming weeks ahead.

Wishing you and your children a productive and rewarding term.

Regards,
Mrs K. Seow
Principal

Please remember to make payments directly to Mrs. Ayow or Miss Lue Sue for this service. Thank you for your cooperation in the programme.

SICKNESS CONTRACT

With the recent increase in viruses, we have reintroduced the practice of regular hand sanitizing at school to help keep our kids and staff healthy. We kindly remind you that, as part of the sickness contract you signed, it is your responsibility to keep your child home if he/she displays any flu like symptoms.

Sending a sick child to school puts other students, teachers, and their families at a risk of illness. If you are called to collect your child due to illness, he/she will be waiting in the designated open-air area as per the requirements of the Ministry of Education and Ministry of Health. Let's work together to maintain a safe and healthy environment for everyone at MRGS.
